## GENERAL COMMENTS

**THE COURSE:** Please comment on course content, requirements or any other aspect of the course.

The course is informative and the requirements for it are easy to obtain. Making it easy for online to attend if they want to.

**THE INSTRUCTOR:** Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

The instructor's lecture are informative and well rounded, but I feel that the assignments do not follow the lecture and as a result makes them confusing. The instructor is available if I ever need help and seems to care greatly about the class's progress. I would take another course with them.
