GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The course has a high level of difficulty for a student who is new into this entire field. I personally think it would have been easier if I was not a full time student, as the course requires many hours outside of the classroom to actually get a better understanding of it all.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I consider the instructor to be a good instructor, I would take another class with her in the future.

Thank you!
