GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

The snow days earlier in the semester forced the pace of the course to increase. I found it was hard to get through all of the material without rushing.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

I thoroughly enjoy courses with Dr. Gurgiala. She is very fair and understanding. Occasionally, it was difficult to learn by examples because of the pace we had to go. I would love to take another course with her.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Sometimes note-taking is a little difficult because of the speed you go through the slides but I think that's due to cancelled classes at the beginning of the semester.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

I felt homework never reflected what to study for on tests. Handing back homework only a couple of days, sometimes never, before exams is very flawed. We use that homework to study as well.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

Personally, Dr. Gurajala is my favorite professor in the department and I enjoy taking her classes a lot. With that being said, I feel like she should have slowed down a lot during teaching this course. Flying through the slides doesn't work for me, I might have well of never showed up to the lecture.

Thank you!

GENERAL COMMENTS

THE COURSE: Please comment on course content, requirements or any other aspect of the course.

It was a important course, but I found that I had issues retaining information

THE INSTRUCTOR: Please comment on the strengths and weakness of the instructor. Would you take another course from this instructor?

She is very competent and structures the class well. Sometimes the presentations felt too dense to retain everything.

Thank you!
